Para 7. This mosque with its historic associations
is the best humanising and Socialising
institution. In all our religions discourses
the ideal of unity is ever in the fore-front.
But the upkeep of this institution is very
much handicapped for want of help.
Justly one from the Muzrai Dept. here
it was for the generous help of the
late Sahukar Md Fakir Sab of
Jagalur we could have been unable
to keep it up even to this date.

Para 8. We beg to submit to your
kind consideration another
important matter relating to our
Khabarasthan at Chitaldrug. We
look upon this Sacred place
as a Symbol of unity, Situated
as it is in proximity with a Christian
Church & a Hindu Temple. This

Having regard to the necessity of the matter the completion of the well work at a cost of Rs 138/- (item No.2 in the estimate) is sanctioned, the cost being met from the current year's State and General Muzrai Funds grant for construction and repairs of Muzrai institutions.

2. The Deputy Commissioner is requested to arrange to draw the amount from State funds and place it at the disposal of the A.E. under whose supervision the work will be executed.

3. The question of contributing for other items of work may be considered when the devotees collect a moiety of the estimated cost.

In continuation of this office No.A3-C.2690/32-33 dated 7-9-1934, I have the honour to note the disposal of one more petition being that of Subbasastry of Parasuramapura, Chellakere Taluk. Action is being taken to bring the remaining two petitions to disposal early.

1.	Subbasastry, Agent and Dharmakartha of Sri Viswanatheswaraswami temple, Parasaramapura, Challekere Taluk.	Prays for a Muzrai grant of Rs.150/- per annum for hetchukatle expenses of the temple.	As the Muzrai Commissioner has opined in his No.248/32-33 dated 16-11-1932 that he is not in favour of adding the burden on the General Muzrai Funds, to meet this amount, no action seems to be necessary in the matter. SIR,

With reference to your Official Memorandum No.1670/Muz.252 32-38 dated 16th May 33, I have the honor to forward herewith copies of letters Nos.A3.C.2690/32-33 dated 25th June and 12th July 1933 received from the Deputy Commissioner, Chitaldrug District, intimating the disposal of petitions presented to the Dewan by Syed Karim Sab of Doddabatti village, Davangere Taluk, (7 P.No.326, D.No.1138) and Mohamed Ruden Sab and others of Vidupanakunte, Challakere Taluk (7 P.No.215, D.No.1129). A copy of this office order No.D2.Dis.36/29-30 dated 11-7-29 referred to in the Deputy Commissioner's letter was sent to you with Memo bearing the same No. and date.

I have the honor to be,

Sir,

Your most obedient servant,

for Muzrai Commissioner.
(Absent on casual leave)

Secretary.

Letter No.A3.C.2690/32-33 dated 25-6-33 from the Deputy Commissioner, Chitaldrug District, to the Muzrai Commissioner in Mysore.

With reference to your letter No.1338/32-33 dated 25th May 1933 forwarding the petition of Syed Karim Sab of Doddabathi village, Davangere Taluk, presented to the Dewan during his recent tour in this District praying that the three Mohamedan members of the Makan Committee from Karur village may be replaced by three members of Doddabathi village, I have the honor to state that the selection of persons from Karur village to the Makhan Committee was made in the interest and for the better management of the institution. The Sub Division Officer reports that they are respectable persons. The contention of the petitioner that they are an obstacle to the proper management of the institution is unfounded and the petition has come up only out of ill feeling. The Sub Division Officer is of opinion that there is no reason to remove them from the Makhan Committee. In these circumstances, I have asked the Sub Division Officer t to issue a suitable endorsement to the petitioner.

Letter No.A6.C.2690/32-33 dated 12-7-33 from the Deputy Commissio Chitaldrug District, to the Muzrai Commissioner in Mysore.

With reference to your letter No.1338/32-33 dated 25-5-33 forwarding petition of Mahamed Buden Sab and others of Vidupanakunte village, Challakere Taluk, praying for permission to improve the mosque building unauthorisedly constructed at the place, I have the honor to invite kind reference to your office No.D2 Dis.36/29-30 dated 11-7-29 declining sanction to build a mosque on the site in question and directing that the question of monetar aid would be considered in case they select an unobjectionable site. An endorsement was issued to the parties accordingly.

The Mohamedans again represented to this office that the mosque under construction may be ordered to be completed. Mr. C. S. Kuppuswamy Iyengar the then Deputy Commissioner, inspected the place and ordered that permission for the construction of the mosque at the present site could not be granted as the Hindus strongly opposed the construction of the mosque.

They put in a petition to me praying for permission to complete the half built mosque. I inspected the place along with the Sub Division Officer and the Amildar and tried to bring about a compromise between the two communities but it was of no avail. I thought of several alternative solutions but each of them was beset with difficulties. The Mohamedans have constructed the mosque without permission and they are using it as a place of worship. I see no provision of law under which they can be prohibited. I have told the Mohamedans that it cannot be recognised as a mosque and that they should not undertake any further construction. If any breach of peace were to happen in the village, action will be taken under Section 144 Criminal Procedure Code.

In these circumstances there is no reason to reopen the matter since it has been already disposed of.

Sir,

I have the honor to forward herewith for favour of information, a copy of letter No.C.3301/33 dated 5th April '3 from the Deputy Commissioner, Hassan District, submitting a report of action taken on a petition presented to the First Member of Council during his tour in March 1934 in Chennarayapatna Taluk by the Archaks of the Sri Nageswaraswami Temple at Navile, praying for the enhancement of pay and Vaditara due to them.

I have the honor to be,
Sir,
Your most obedient servant,

Muzrai Commissioner.

Letter No.C.2301-33 dated 5-4-34 from the Deputy Commissioner, Hassan District, to the Muzrai Commissioner in Mysore.

Re: the action taken for the disposal of a petition presented to the First Member of Council during his tour in March 1934 in Chennarayapatna Taluk.

I have the honor to state that the archaks of the Sri Nageswarar temple at Yavile village, Pagur Hobli, Chennarayapatna taluk, having presented an application before the First Member of Council during his recent tour in the taluk stating that the pay and paditara fixed in the scale of income and expenditure sanctioned so as to be in force for a period of 5 years from 33-34 a copy of which has been submitted to you with my letter No.C.1263-32 I.Dis. dated 9-12-1933 is inadequate and that the same may be enhanced as per the previous sanctioned scale, the same has been referred to me for taking suitable action and report.

2. The amounts fixed on account of paditara Deeparadhane and for the pay of archaks in respect of this institution as per the previous and the present scales of income and expenditure are as noted below:-

Items.	Amount provided in the original scale		Amount provided in the revised scale	
	Per month	Per year	Per month	Per year.
1. Paditara & Deeparadhane	9-4-0	P 111/-	5-2-0	61-8-0
2. Pay of archak	10-0-0	" 120/-	6-0-0	72-0-0

The previous scale of expenditure of this institution sanctioned in the year 1926-27 on the basis of an annual income of R 809-7-0 not having been revised after duly ascertaining the present actual income of the institution, suitable proposals were called for in consultation with the Dharmadarsis and as the present annual income of the institution was estimated at only R. 590-13-5 per year, the amount fixed on account of the above charges has to be reduced from the current year. I have however called for suitable proposals from the Sub-Divisional Officer in consultation with the temple Dharmadarsis and the prayer of the archaks will be considered if the funds of the institution permit.

Under the above circumstances I request you to be good enough to intimate to Government the action taken for the disposal of the petition pertaining to the Muzrai Department.

Letter No.A5-4556-32 dated 17-11-33 from the Deputy Commissioner, Kadur District, to the Muzrai Commissioner in Mysore.

Subject:- Petition to the Dewan to restore the Khaji to the new mosque at Kadur.

With reference to your letter No.1368/32-33 dated the 23/25th May 1933 on the subject noted above, I have the honor to state that the Amildar has reported through the Sub Division Officer that there was an ancient masjid in Kadur Fort which was ruined about 25 to 30 years ago, that inam lands in Thimmapur village of Kasaba hobli had been granted for the support of the mosque as well as the Khaji, that the said mosque fell into ruins in course of time, that thereupon a small house of 2 to 3 ankanams was constructed in Halepet of Kadur Town by one Ali Pacha Saheb, a Labbe trader gentleman, that this also fell into disrepair, that 7 or 8 years after the death of the said Ali Pacha this mosque was entirely reconstructed with the aid of the donations and subscriptions by the local Labbe Sahukars, Messrs. Abdul Lathiff and Abdul Shakoor Saheb.

I have also seen this mosque. It is being managed very well now by the local Muslim Jamayat under the guidance of Messrs. Abdul Shuk and Abdul Lathiff. It is purely a private institution without any Muzrai grant.

There are two parties in Kadur Town among the Muslims in respe of this mosque affair. The old Khaji was also being admitted to new Labbe mosque for performance of services during his lifetime After his death, as his son Syed Avalia Shakhadri had developed desirable tendencies he was not allowed to succeed his father in performance of service. Even during the old Khaji's lifetime I stand as the Muslim Jamayat of the mosque grew dissatisfied with for various reasons they engaged a separate man to do the servic Since then the Khaji and his part have been agitating for a cont over the mosque and its affairs. I had a discussion in the matt with Sahukar Mr. Abdul Shukoor. He asured me that there was no jection to any Musalaman going to the mosque for prayers but th neither the Khaji nor his son had any right to control the affai of their private mosque. Thus it will be seen that this petiti the outcome of party 'jid.'

With reference to your letter No.A5-4556-32 dated 17-11-33 re: the Khaji service at Kadur, I have the honor to state that as mentioned in your letter of the 17th November 33 the marginally noted inam lands have been separately endowed for Khaji service and support of the mosque at Kadur (vide pages 24 -25 of the Muzrai Quit rent Register). If, as stated by you the khaji renders no service and the mosque is no longer in existence, I request to be informed in whose possession and enjoyment the endowed lands are and why no action was taken till now to resume them to Government and credit the income to the General Muzrai Fund. I request further immediate action may be taken in the matter and a report submitted not later than January 1934

The Muzrai Commissioner in Mysore.

To

The Deputy Commissioner,
Kadur District.

Sir,

Inam lands endowed to the mosque and the Khaji Service at Kadur.

With reference to correspondence ending with your letter No.A5-4556 32 dated 23rd April 1934 re: the above, I have the honor to state that the action taken by you so far as landsendowed to the mosque in the closed Kadur Town ~~is~~ are concerned, is approved.

2. But as regards the Khaji Service, the arguments advanced about the mosque cannot be made applicable to the Khaji service which is for the most part independent of the mosque. If the present Khaji has developed undesirable tendencies, the only thing that could be done is to remove him if his opponents make specific charges and prove them, and appoint another man as Khaji. As, however, the Khaji must exist for the benefit of the community, I request you to hold further investigation in the matter, the present barawardar being in the meanwhile allowed to enjoy the inam lands granted for Khaji Service.

3. Since the new mosque is serving the spiritual needs of the Muslim population of the place, and as there is no likelihood of the old mosque being revived, you may also consider the feasibility of transferring the Masjid Inam lands to the new mosque and submit a report in the matter.

ll of action taken in th[illegible] m[illegible]er of inam lands endowed for the service and support of the mosque at Kadur Town, I have the honor to state that the Sub Division Officer, Tarikere, was requested to enquire and report in respect of the possibility of a revival of the mosque, the performance of the sevice therein, and the enjoyment of the lands endowed for the khaji service and the maintenance of the mosque. He has, after a detailed investigation, given his finding on the points referred to above, and has finally recommended that the institution might be treated as a defunct one. A copy of his Order dated 25-7-34 is enclosed for information. The institution, has, therefore been ordered to be treated as a defunct one and the inam lands endowed for khaji service and support of the mosque, have been ordered to be leased out on geni sale from 1934-35 and the sale proceeds credited to General Inzrai funds.

As regards the unauthorised possession and enjoyment of these lands by the present holders, the Sub Division Officer has directed that the estimated value of the crops realized during 1932-33 and 33-34 should be recovered from the person in possession and enjoyment during these years.

No.A5-4176-32 dated 17-11-1933.

Kadur Taluk Amildar's report No.Muz.21/32-33 dated 18-9-1933 re: the disposal of inam lands granted for Khaji service and for the support of the mosque in Kadur Town.

The facts of the case as is seen from the connected records are briefly as follows:-

According to the Quit rent Register 4 S.Nos. viz., 1, 4, 35 and 36 of Hirmapur are granted as inam for khaji service and 2 S.Nos. 23 and 24 of the same village for the support of the mosque.

2. The question now is whether the khaji is performing his services and the mosque well maintained.

3. The Mahomedan citizens of Kadur Town appear to have represented by means of a petition to the Dewan during his tour in the District that (1) the mosque which existed in the fort of Kadur Town for which land endowments were made by Government was neglected by the Amildar and brought to ruins, though he is in possession and enjoyment of the said lands. (2) He is not performing services in the mosque as the same does not exist. (3) He is not attending the mosque built by private people viz., Labbe merchants in Kalepet of Kadur Town and (4) the petitioners who are not willing to attend the private mosque are put to much inconvenience for want of a recognised place of prayer etc.

4. The Mahomedan citizens have also petitioned the Amildar, the Deputy Commissioner and the Inspector General Commissioner on the same subject. All of them have been sent to the Amildar for enquiry and report.

5. The petition presented to the Amildar on 14-11-32 was sent to the Revenue Inspector for a mahazar on inspection of the spot and report. He has drawn up mahazar in the presence of some Mahomedans and Hindus of the place. He has also submitted a sketch of the spot whereon the previous mosque existed and the ruins standing. The mahazar says that a mosque in the north portion of the town existed. The ruined portion viz., foundation with stones of 5 to 10 feet higher than the ground level, the portion of the upper floor with Imam [illegible] platform still exist. It seems, the mosque existed till about 35 years ago and no service is performed there by the Khaji for last 25 to 30 years as the building collapsed.

The Khaji is now receiving 10 Rupees per year, as he is not performing the services on the enjoyment of the said inam lands.

6. Notices were issued to the servants of the late Khaji for enquiry. They were all present.

fort of Kadur Town. Their father was performing the Khaji duties in the Halepet mosque which was maintained out of the proceeds of the inam lands through Shukur Lr. Abdul Lateef Sab. They have produced the copy of th Inam title deed granted so far back as in 1870.

9. The have examined only 5 Mahomedans in their favour who appear to be too young to know the existence of the mosque in Kadur fort and one of them who is 50 years old to speak to the existence of the said mosque appears side parti.

10. On the other side, viz., citizens, a number of persons have been examined of whom the statement of Abdul Kareem Sab aged 44, appears to be most important. He says that about 54-55 years ago, his father purchased the sites from Government - copies of the sale certificates dated April 1895 and November 1896 were produced - built a mosque of 5 ankanas thereon and managed the affairs of the institution during his lifetime. After his demise, he made over the institution to the Labbe merchants, Lessrs. Abdul Lateef Sab and Abdul Shukur Sab about 15 or 16 years ago. About 5 years ago the old structure was removed and in its place the present building was constructed at their own cost. The mosque has no Government grant. He is aware of the old mosque in Kadur Fort. I came to ruins about 25 years ago

11. The existence of the old mosque in Kadur fort, the performance of service by the late khaji therein and the non-existence now are spoken ~~of~~ to by seven Mahomedans of Kadur Town who are pretty old. A good many Hindus have also attested the mahazar drawn up on the spot before the Amildar. The Patel and Shanbhog have also spoken to the above facts.

12. If as the late Khaji's sons say that the inam lands are granted for service in and the up-keep of the Halepet mosque, the question arises whether the Halepet mosque did exist at the time that grant was made i.e. 1870, on face of the statement of Abdul Kareem Sab supported by the sale certificates for the sites on which the Halepet mosque was built in the first instance after 1896.

13. The witnesses for the khaji's sons admit that the old mosque in Halepet was removed and in its place a new ~~one~~ one was built. Hence Kareem Sab's statement may be accepted as a true one and the Government grant was not given for a mosque which did not exist in 1870. The contention of the sons on this point has failed

14. The new mosque being a private institution, whether built by private subscriptions or at their own cost of Labbe merchants, the recognition of the khajiship in their own mosque rests with them and the Government cannot interefere as it has no Muzrai grant.

15. If, as the sons of late khaji, contend that their father was looking after the khaji duties in the Halepet mosque during his lifetime and was enjoying the inam lands, the burden of proving that he had obtained proper sanction from Government to change the place of worship from Fort to Halepet, also rests with them. They have not proved this fact too.

16. The only question remaining now for disposal ~~now~~ is, ~~s~~ the mosque for which the land inam was granted does not exist for a number of years and the khaji has not been performing his services therein, why should not the inam lands granted both for khaji service and for the support of the mosque be resumed to Government.

Order.

The statements of late Khaji's son, Syed Avaly Sha Khadri, and his followers are recorded by me in the matter of the revival of the old mosque for which the inam lands were enjoyed by Government. On the petition of ~~x~~ the khaji and his followers, order No.M-4856-32 dated 17-11-38 is received from the Deputy Commissioner, Madur District, for passing orders re: the enjoyment of the lands and the revival of the mosque, as the present mosque is a private one and the petition is the outcome of party grid.

I have inspected the spot in the Fort portion of Madur Town where the old mosque existed long time ago and the basement of which exists now. The then khaji, Syed Jamalulla Khadri is said the service in the old mosque is no dead a year ago, his sons de[illegible], who left the existence of the mosque in the Fort of which no clear the present mosque as such only, with the khaji service in the latter and produced copy of the Inam title deed granted in [illegible]. The khaji's sons may not know the existence of the mosque in and so they state to have come to ruins before they were born.

The Halepet mosque, which is not the only institution for [illegible] is a recent one built after the year [illegible] collection from the [illegible] Mohammedan, son of late [illegible] Khan. This land was first obtained the sites in Halepet. One in [illegible] and the [illegible] built a house in each thereon. [illegible] of sale certificates in support of the grant of sites to [illegible]

Ali, one Sab. After the death of his father - the founder of this mosque - one Abdul Kareem Sab made over the building to Labbe merchants who rebuilt it about 7 or 8 years ago either at their own cost or by private subscriptions. However, from the copies of documents produced, I am inclined to believe that the Haleyet mosque is of a recent date and inam lands could not have been granted in 1870 for a mosque which did not exist then. Thus the Haleyet mosque is a private institution without any Government grant and does not fall within the purview of the Inzrai Regulation.

As regards the so-called existence of the mosque at Kadur fort, both Mahomedans and Hindus of Kadur Town, have drawn up a mahazar before the Amildar on the spot on 29-9-34, that a mosque existed in fort to the north of the Taluk Office building, Namaz performed therein and the building came to ruins about 3 -4 years ago. Thereupon, the then khazi Syed Hasanulla Khadri changed the place of prayer from fort mosque to Haleyet mosque and led the Mahomedans therein for Namaz.

Whether he was right in so changing the place of prayer is a point for consideration. If he had obtained proper sanction from Government to do so, he was right in enjoying the lands for his services and the support of the Haleye mosque. The late Khazi's sons have not proved this fact.

They hold khazi enjoyed the lands - whether rightly or wrongly - for services as Khazi and the support of the mosque in Haleyet if not in the fort.

The question that a mosque existed in the fort, has come up only after the decease of the late Khazi and the refusal of Labbe merchants to accept this fact, they have since added a mosque in the Haleyet mosque. This evidence consists of flowers. In their statements recorded before me on 2-7-34 they depose that a mosque existed in the fort and admit their inability to revive the old mosque on the ground that they do not require a mosque at present.

The late Khazi's son Arshadsha Khadri has stated before me that he is not able to revive the old mosque. He is in possession and enjoyment of the inam lands and that they are hereditary. He requests that the inam nature of the lands may be cancelled and the same treated as Government lands and full assessment levied. This is perhaps a reasonable prayer but does not fall within the powers of the Inzrai Officer to grant it.

From the above it is clear that the revival of the mosque for which the inam was granted is out of the question. There is thus no case, prima facie to treat this institution as a Khairat one under Section 18 of the Mysore Religious and Charitable Endowments Regulation.

As regards the lands granted for Khaji service viz., 1.4, of [illegible] situated in Thirrapuru village and for the support of the [illegible] and 14 of the same village, I hereby order that they should be resumed for a period of five years from F. 54-55 and the proceeds credited to General Inam Funds.

Since the late Khaji's son, Syed Awlansha Khadri is in possession and enjoyment of the said lands from the date of the death of his father [illegible] -53 and has not performed any Khaji service as there is no necessity for it I consider it a breach of condition of the Inam grant and I therefore order for the resumption of the Inam accounts for Fasli [illegible] and the estimated value of the crops during the Fasli [illegible] and [illegible] be recovered from the person in possession and enjoyment of the lands in question.

Necessary references should be caused to be recorded in the registers and accounts of the Sub Office.

Memo.

The above orders are passed with reference to the Amildar's report No. Inz.Si/Sa- 3 dated 17-2-1954 and the Amildar is requested to give effect to the orders at once and to return the records for recommendation to be submitted under Section 19 of the Religious and Charitable Endowments Regulation to treat this as defunct institution.

Order No.R.5937/L.R.25-33-98 Dated Bangalore the 17th May 1934.

The Mahomedans of Vani Vilasapur village, Hiriyur Taluk, presented a petition to the Dewan during his tour in the Chitaldrug District, in March 1933 praying for the free grant of S.No.3 of their village for the up-keep of the local Jumma Masjid. It is reported that this survey No. measures 2 acres 19 guntas, that it is valued at R 10/- per acre and that the malki standing thereon is worth Rs 22-12-0. It is further reported that the villagers have no objection to the free grant of this S.No. to the Masjid and that one Syed Mokdum Hussein, a member of this institution, has agreed to stand as vahivatdar and pay the kandayam thereon every year. The Revenue Commissioner therefore recommends that this land may be granted free to the Masjid, the khate being made in the name of the institution and the vahivatdar being made responsible for the payment of the kandayam thereon. (absent on casual leave)

No.A2-C.2690/32-33 dated 30-1-36 from the Deputy Commissioner, District, to the Huzrai Commissioner in Mysore.

Subject:- Dewan's Tour Petitions. 146

With reference to your letter No.C.1338/32-33 dated 20th December 1935, I have the honor to state as follows:-

(1) According to the scale sanctioned on 18th April 1935 to Chitaldrug mosque, there is an annual income of Rs 468-8-0 while the expenditure is only Rs 321-3-8. A sum of Rs 147-4-4 is thus saved every year. The institution has now at its credit a sum of Rs 156-3-0. Hence the mosque may be considered to have got sufficient funds for its up-keep etc. No further action seems therefore necessary at present to make any fresh grant.

(2) With regard to item No.2 a copy of the report sent to the Revenue Commissioner on 6th February 1935 to the effect that the control of the Cotton Committee over the land in question is taken away and the land kept vacant is sent herewith for information.

Under the circumstances mentioned above, the petition may be treated as closed.
